

Sponsorship Program

The American Red Cross **needs your support** to achieve our mission of helping the people of San Luis Obispo County prevent, prepare for and respond to emergencies.

The Sponsorship Program was developed to provide specific information on the many different ways you can help. It allows you to designate where you want your money to go.

The San Luis Obispo County Chapter of the American Red Cross is not a governmental agency. Our funding comes from local individuals, businesses and agencies, like you!
